THE FORD SUV FAMILY

Scan the QR code to access additional content.
Go anywhere. Do anything.

A weekend break. Your drive to work. The nimble shortcut. The scenic route... wherever you go, the Ford EcoSport delivers fun and confidence with every drive.

All the rugged functionality of an SUV. All the dynamic spirit of a compact city car. Discover a combination of smart design, impressive engineering, intelligent technology and a host of exciting ways for you to personalise your EcoSport.

Spacious, eye-catching and athletic: it’s the perfect SUV for life in the city plus so much more.
Get more in.

EcoSport is designed to deliver all the space you need to support an active lifestyle. Tumble-fold split rear seats give you the room and flexibility to increase your load space. While clever little storage compartments allow you to stow smaller items neatly.
The EcoSport’s sophisticated interior surrounds you with eye-catching design, beautifully crafted materials and sumptuous comfort features. While an array of advanced technologies are at your command, such as Electronic Automatic Temperature Control (EATC), Blind Spot Information System (option), automatic headlights, plus SYNC 3 with voice control (Standard on Titanium and ST-Line only), taking care of all the little details so you can concentrate on enjoying the drive.

- Control music, navigation (where fitted), phone calls and text messaging using only your voice (Voice control standard Titanium and ST-Line only)
- Automatic headlights are designed to detect failing levels of natural light and activate your headlights for you
- Heated steering wheel
  Easily activated with the touch of a button, EcoSport’s heated steering wheel provides an additional layer of comfort between you and the cold outside. (Option within Comfort Pack)
Meet your phone’s new best friend.

Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone, letting you control everything from phone calls and text messaging to music and satellite navigation - all via the 8” touchscreen or through remarkably simple voice commands. Complimentary map updates for 7 years (from the date of first registration) help to keep you on track and on time. (Standard on Titanium and ST-Line).

SYNC 3 features

■ Manage your phone, music, apps and navigation with simple voice commands
■ Colour touchscreen supports multi-touch ‘swipe’ and ‘pinch-to-zoom’ gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone
■ Access additional features via your smartphone with the FordPass App
■ Search for refuelling points by brand or fuel grade
■ Find your way back to your parked car on a map
■ FordPass App is complimentary for the first two years, thereafter a license fee is payable.

SYNC 3 offers a wide range of features to help keep you safe, connected, and in control:

■ Emergency Assistance helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language
■ Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone through the SYNC 3 home screen, as if it were your handset
■ Manage your phone, music, apps and navigation with simple voice commands
■ Live Traffic** delivers regular traffic information directly to your SYNC 3 Navigation system. The technology then adjusts your recommended route based on the traffic conditions, helping you to arrive more relaxed and on time
■ On-board Wi-Fi*** - receive up to 4G Wi-Fi for a maximum of ten devices so you and your passengers can enjoy the same connectivity on the move as you would at home
■ All other FordPass Connect features are complimentary for 2 years following registration, thereafter a subscription is required
■ On-board Wi-Fi*** - receive up to 4G Wi-Fi for a maximum of ten devices
■ Receiving Vehicle Health Alerts directly to your smartphone
■ All other FordPass Connect features are complimentary for 2 years following registration, thereafter a subscription is required
■ Remotely start the engine
■ Receive Vehicle Health Alerts directly to your smartphone

Effortless connectivity with FordPass Connect.

For the first time ever, you and your Ford EcoSport can stay seamlessly connected wherever you are. That’s because the FordPass Connect modem and the FordPass App, together, unlock a range of features designed to make every journey easier.

FordPass Connect

FordPass Connect can help save you both time and hassle, as well as give you peace of mind:

■ Use your phone to double-check your car is locked, or allow someone to access your car when you’re elsewhere
■ Remotely start the engine (automatic transmission only) to activate the air conditioning to cool the car interior on hot days, or warm the car on cold days - and even defrost the windshield in freezing conditions
■ Monitor your fuel level, mileage and tyre pressures, all via your phone
■ Find your way back to your parked car on a map
■ FordPass Connect becomes even more powerful when paired with your Ford EcoSport and smartphone via the FordPass App, allowing you to access a host of features, including:

HID Xenon headlights

The Ford EcoSport HID Xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. (Option on ST-Line and option on Titanium as part of the Lux Pack)

It sounds live with B&O.

B&O

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford’s exciting new 675 watt, 10-speaker audio system from B&O delivers exactly that. Designed and fine-tuned for the EcoSport by specialist B&O acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement the EcoSport’s stylish interior. (Option on Titanium and ST-Line)

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice subwoofer
- Surround sound
- 675 W power output
- Unique B&O design
Add extra style.

Contrasting coloured roof*

Choose from a collection of body colours with contrasting roof, rear spoiler and door mirror combinations, plus optional alloy wheels – all intended to further enhance the beautiful exterior and help make your new Ford EcoSport as unique as you.

*Standard on ST-Line and optional on Titanium; available with selected body colours.
EcoSport ST-Line

ST-Line delivers all the dynamic practicality of the Ford EcoSport, with additionally eye-catching sports inspired style. Unique ST-Line bumpers and side skirts, Dark Tarnish alloy wheels, ST-Line exterior branding, plus contrasting roof, rear spoiler and door mirrors – all contribute to the car’s unique blend of usability and head-turning good looks.

And this distinctively stylish image echoes through the ST-Line interior – with its unique ST-Line leather-trimmed steering wheel, black gearshift insert and stainless steel sports pedals, all emphasising the sports inspired character of its design.
Engineered for economy.

The diamond-like coating on the piston rings reduces friction; the turbocharger, direct injection and variable valve timing boost efficiency. The result is remarkable performance from such an economical petrol engine. Winner at the International Engine of the Year Awards for six years running, the 1.0-litre Ford EcoBoost is available in 100 PS, 125 PS and 140 PS versions.
FORD ECOSPORT Models

Zetec

Standard exterior features
- 16" 5-spoke Magnetic painted alloy wheels
- Chrome-finish front grille
- Halogen headlights with LED daytime running lights

- Quickclear heated windscreen

Standard interior features
- Leather-trimmed steering wheel with chrome inserts and remote audio controls
- Leather-trimmed handbrake handle and gearshift knob
- Electrically-operated front and rear windows
- Ford MyKey technology
- Trip Computer
- Ford SYNC with 8" Touchscreen, DAB Radio, Emergency Assistance, Apple CarPlay and Android Auto, USB connectivity, 6-speakers
- Electronic Stability Programme (ESP) with Hill Launch Assist
- Tyre Pressure Monitoring System (TPMS)
- Tyre Repair Kit
- Adjustable boot load floor
- Thatcham Category 1 perimeter and volume sensing alarm with remote central locking

Engines
Petrol
1.0 Ford EcoBoost (100 PS)

Diesel
1.5 Ford EcoBlue TDCi (100 PS)

FORD ECOSPORT Models

Titanium

Standard exterior features additional to Zetec
- 17" 10-spoke premium Flash Grey machined alloy wheels
- Automatic headlights
- Power-foldable door mirrors with puddle lights
- Silver-finish roof rails
- Rain-sensing wipers

Standard interior features additional to Zetec
- Partial leather seat trim
- Centre console with armrest and openable stowage
- Cruise control with Adjustable Speed Limiter
- Ford SYNC 3 Navigation with 8" Touchscreen, DAB Radio, Emergency Assistance, Apple CarPlay & Android Auto, USB connectivity, 7-speakers and FordPass Connect (Embedded Modem)
- 4.2" colour cluster display
- Auto-dimming rear-view mirror
- Rear View Camera with rear parking distance sensors
- Electrically-operated front and rear windows with global opening/closing
- Ambient lighting
- Front door threshold plates with EcoSport logo
- Keyless start with Ford Power Starter Button
- Electronic Automatic Temperature Control (EATC)

Engines
Petrol
1.0 Ford EcoBoost (125 PS) with manual or automatic transmission

Diesel
1.5 Ford EcoBlue TDCi (100 PS)
ST-Line
Standard exterior features additional to Titanium
- 7” 5-spoke Dark Tarnish alloy wheels
- Black-finish roof rails
- Black headlight bezels
- Large rear spoiler
- ST-Line front grille
- Unique ST-Line bumpers and side-skirts
- Sports Suspension
- ST-Line styled rear lights
- Contrast roof*

Standard interior features additional to Titanium
- Front door threshold plates with ST-Line logo
- Sports pedals with stainless steel inserts (manual only)
- Leather-trimmed steering wheel with red stitching
- Leather-trimmed handbrake handle and gearshift gaiter with red stitching
- Front and rear floor mats with red stitching

Engines
Petrol
1.0 Ford EcoBoost (125 PS) with manual or automatic transmission
1.0 Ford EcoBoost (140 PS)

Diesel
1.5 Ford EcoBlue TDCi (100 PS)

* A choice of Contrast Roof colours or a body coloured roof is available on ST-Line vehicles standard. Please see page 28 for further details on colour combinations.
Paddle Shifters
The six-speed automatic transmission delivers a smooth, relaxing driving experience, especially in busy stop-start traffic. Change gear manually if you prefer, using the steering wheel-mounted paddle shifters (Standard on ST-Line automatic; Only available on other automatic models when fitted with a tow bar).

Sunroof
An electrically-operated sunroof gives more beautiful views of surrounding scenery from the comfort of your EcoSport. A solar reflective coating is designed to help keep the interior cool when closed, while an internal sunblind provides extra shade when you need it. (Option on Titanium and ST-Line)

Blind Spot Information System
Blind Spot Information System (BLIS) is designed to alert you via discreet warning lights built into the driver and passenger’s door mirrors, when it detects another vehicle - car, van or lorry - entering your blind spot while driving. (Option on Titanium and ST-Line)

Quickclear heated windscreen
A heated element built into the windscreen is designed to clear the glass of frost and condensation, even on the coldest mornings. (Standard)

Front and rear parking distance sensors
With Ford EcoSport you won’t have to pass by those more challenging parking spaces. An audible warning helps you judge the distance between your car and obstacles at the back, for easier parking and manoeuvring. (Option on Zetec. Rear parking sensors are standard on Titanium and ST-Line)

Detachable tow bar
For extra transport and stowage capability, the tow bar can tow up to 1,100 kg depending on engine. For more information please see weights and loads located on page 36. The tow bar can be detached if not in use. (Option and accessory)
The Ford EcoSport is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.

Note: The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trim options may vary from those illustrated due to the limitations of the printing processes used.

Agate Black
Premium body colour*

Silk
Exclusive body colour*

Blue Lightning
Exclusive body colour*

We chose Blue Lightning. What will you choose?

The EcoSport owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your EcoSport will retain its good looks for many years to come.
Create your perfect EcoSport.

What's your favourite combination?

EcoSport lets you choose from a diverse collection of colour combinations. Use the table below to choose from the contrasting roof and door mirror options available for each body colour.

  - Standard on Zetec

- **Groove fabric** in Ebony seat facing, with Salerno leather in Ebony seat bolster
  - Standard on Titanium

- **Salerno Leather** in Ebony seat facing, with Salerno partial leather in Ebony seat bolster
  - Option within Titanium Lux Pack

- **Miko Dinamica Fabric** in Ebony seat facing, with Race Red stitching and Salerno leather seat bolster
  - Standard on ST-Line

- **Miko Dinamica Fabric** in Ebony seat facing, with Metal Grey stitching and Salerno leather seat bolster
  - Option on ST-Line
**Boot liner**
Durable tray style liner, designed to help keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

**Detachable tow bar**
For extra transport and stowage capacity, the tow bar can tow up to 1,100 kg depending on engine (check with your Ford Dealer for further details). The tow bar can be detached if not in use. (Option and accessory)

**Ueblerr+ rear bike carrier**
High-quality tow bar-mounted bike carrier with optional practical tilting mechanism (depending on bike carrier model), for easy access to the load compartment. (Accessory)

**Thule® roof bike carrier**
High-quality, easy-to-install roof bike carrier from Thule®. (Accessory)

**Thule®+ roof box**
Designed to carry a wide variety of loads and help protect them from weather and theft. All models come with dual-opening for easy access. (Accessory, available in various sizes)

**Cross bars, for roof rails**
Sturdy cross bars allow you to transport loads easily. (Accessory, only in combination with roof rails)

**Mud flaps**
Contoured mud flaps help to protect the bodywork of your Ford EcoSport from stone chips and road spray. Available as sets for front and rear. Not to be used in combination with body styling kit. (Accessory)

**Rubber floor mats**
All-weather floor mats with the Ford EcoSport nameplate are tailor-made to fit and help protect against dirt and damp. Made from a rubberised material and fixation clips to attach the driver’s floor mat from slipping. (Accessory)

Fitment of accessories may have an impact on your vehicle’s fuel consumption.
FORD ECOSPORT

Fuel, Performance and Emissions

The table below shows fuel consumption and CO₂ emissions for all models. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) is the test to establish fuel consumption and CO₂ emissions for all new passenger car models. CO₂ emissions and fuel consumption figures are derived from the new WLTP test. However, until 6th April 2020 the CO₂ figure shown will be derived from the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

Understanding fuel data

The table below shows the fuel consumption (L/100 km) and CO₂ emissions (g/km) for each available engine on the Ford EcoSport. These figures may not reflect real-life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

The figures shown are for comparability purposes only, only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

The test used to establish fuel consumption and CO₂ emissions is the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) and results published are calculated in accordance with the technical requirements and specifications of that test procedure. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020 the CO₂ figure shown will be derived from the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 75% battery state of charge.

**Ford test figures.

The figures shown are for comparability purposes only, only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

‡ Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted.

**Power-foldable mirrors**

Nearly folding door mirror housings for when parking in narrow spaces. Electrically operated for added convenience. (Standard on Titanium and ST-Line)

**Fold-flat split rear seats**

Fold down the 60:40 rear seats and you get 1,238 litres of space in the back.
Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

- Comprehensive service and maintenance plans
- Use of quality Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- Ford Online Service Booking
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

FORD INSURE

- With a Ford Protect Plan, the price of your car insurance policy
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With a Ford Protect Plan, the price of covered parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Protects your vehicle resale value
- High flexibility in duration and mileage
- High flexibility in duration and mileage
- Up to 90 days cover to drive in Europe
- To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

So, for cover designed with your Ford in mind, please call our UK Customer Service Team on 0333 234 9076 or go online at www.fordinsure.co.uk

Terms and conditions apply.

Ford Insure contracts are arranged, administered and provided by EUI. EUI is a subsidiary of Admiral Group and is authorised and regulated by the Financial Conduct Authority (Registration Number 309376). Registered in England and Wales as EUI Limited Reg. No. 2618650. Registered Address: 1 Ty Admiral, David Street, Cardiff CF20 2EH.

FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With a Ford Protect Plan, the price of covered parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Protects your vehicle resale value
- To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

*Ford Protect terms and conditions apply see ford.co.uk/extended-warranties for more information.

FORD SERVICE

Allows you to relax knowing we’re always by your side.

With Ford, the service doesn’t end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- Use of quality Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- Ford Online Service Booking
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.
