FOCUS ST-LINE

Go Further

ST-Line. The inside story.

The Focus ST-Line interior echoes the car's distinctively stylish image. Sports seats, a silver gearshift insert, stainless steel foot pedals, and unique ST-Line leather-trimmed steering wheel, all set ST-Line apart from other Focus series.

ST-Line. Sport styling.

The New ST-Line delivers the stylish practicality of the Ford Focus with all the eye-catching aesthetics of a performance-line vehicle. Rear spoiler, bodystyling kit and meshed front grilles, Rock Metallic alloy wheels, sports suspension and ST-Line exterior branding – all contribute to the car's unique blend of usability and head-turning good-looks.

Focus ST-Line in Frozen White* and Moondust Silver* both with 18" Rock Metallic alloy wheels*

17" Rock Metallic alloy wheels (standard)

Focus ST-Line

Standard features:

- ST-Line badging and front scuff plates

*In 4th gear. ⁹⁰Ford test figures. ⁹⁰The declared Fuel Consumptions and CO₂ emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. **DPF** = diesel particulate filter.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc. you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth[®] word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
