***The world is yours.***

The new **Ford Kuga** perfectly reflects your aspiring, self-assured nature. Its inspirational technologies together with a beautifully executed design, deliver premium luxury with superior performance – making the new Ford Kuga the ideal partner to your enterprising and adventurous spirit.

**Enjoy it.**

360°

Welcome to new Ford Kuga's beautifully crafted interior. Its exceptional styling is clear to see, with a contemporary fascia design complemented by luxurious, soft-touch surfaces. Premium front seats are perfectly contoured for surpassing comfort, even during long journeys. While a host of inspirational new technologies contribute to a more sophisticated and enjoyable drive.

**Applink, Apple CarPlay and Android Auto** Control SYNC-compatible apps with Applink, while Apple CarPlay and Android Auto allow you to navigate your smartphone HMI through the SYNC 3 home screen, just as if it were your handset.

Live Traffic is available through the FordPass app. Connecting seamlessly via SYNC 3 with navigation, Live Traffic gives you up-to-the-minute traffic data, enabling you to plan your journey more efficiently.

**Note** Live Traffic access is free for the first 2 years following the purchase of a new Ford featuring SYNC 3 with navigation; thereafter there is an annual licence fee. Mobile data charges may apply.

> Ford SYNC 3  
**Connects with your voice, responds to your touch.**

**SYNC 3** gives you control of everything from music and satellite navigation\* to phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen lets you configure your home screen just how you want it, while Applink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone technology into your car.

\*SYNC 3 satellite navigation is an option at extra cost on Zetec and standard on all other series.

➤ Active City Stop  
**Intelligent  
technology.**

Designed to sense potential low-speed collisions and applies the brakes if you don't react in time. Designed to work at speeds up to 30 mph, this intelligent technology could help prevent or mitigate damage from low-speed accidents. (Option at extra cost on all series excluding Zetec)

# Active Park Assist helps you find a space.

**Active Park Assist** is designed to steer you into parallel or perpendicular parking spaces just 20% longer and 50% wider than the car. The sensors of this innovative system locate suitable spaces as you drive past. Then, with the simple push of a button, it will automatically steer you in while you operate the accelerator, brake and gears (following on-screen instructions and audible signals). (Standard on ST-Line, ST-Line X and Vignale. Option at extra cost on Zetec, Titanium and Titanium X)

And get in. And get out.

**Park-Out Assist** works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system is designed to steer while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the centre display screen. (Standard on all ST-Line, ST-Line X and Vignale. Option at extra cost on Zetec, Titanium and Titanium X)

## Enhanced Active Park Assist

*Let Kuga park itself.*

**Active Park Assist** is designed to park your Kuga for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Standard on ST-Line, ST-Line X and Vignale. Option at extra cost on Zetec, Titanium and Titanium X)

> Ford EcoBoost petrol engine

***The story of less fuel, more power.***

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger engines, but with much better fuel economy and lower emissions.

> Intelligent All Wheel Drive system (AWD)

***Follow your own path.***

Ford Kuga's intelligent All Wheel Drive system continually monitors your driving environment, optimising traction to direct power between wheels as required. A display on the cluster panel shows the drive going to each wheel, helping you stay alert to any changes in the road conditions.

***A new expression  
of Ford.***

Experience a new expression of Ford with Kuga Vignale. Ford Vignale features exclusive styling with hexagonal-style mesh front grille, unique alloy wheels and a luxurious leather interior. The vehicles shine with craftsmanship and attention to detail.

### Bi-xenon HID headlights with dynamic bending

Ford Kuga's HID bi-xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy. Also includes static cornering lights and headlight washers, plus progressive beam, Auto High Beam\*, dynamic bending, and LED daytime running lights.

**TX V SL X**

\*Progressive and Auto High Beams only available when front camera is fitted.

### Electric Parking Brake (EPB)

For ease of operation, a simple switch located neatly on the centre console activates the Electric Parking Brake (EPB), allowing you space for extra storage between front seats. The EPB will automatically release as you pull away.

**Z T TX V SL X**

### Retractable tow bar\*

Electrically released tow bar is there when you need it, but can be tucked away out of sight for uncompromised styling and easier access to load space. A detachable tow bar is also available, as well as a fixed tow bar (accessory). While towing, the standard Electronic Stability Control (ESC) is designed to counteract trailer sway.

**Zt T TX V SL X**

\*Not available on 1.5 EcoBoost 120PS engine.

### Blind Spot Information System<sup>0†</sup> with Cross Traffic Alert

Designed to alert you when another vehicle (a car, van or lorry) enters your blind spot – with a discreet warning light built into both door mirrors. Cross Traffic Alert scans left and right as you reverse from a perpendicular or angled parking space, providing visual and audible alert warnings when an approaching vehicle is detected.

**T TX V SL X**

<sup>0</sup>Uses sensors. <sup>†</sup>Designed to operate at speeds above 7 mph.

### Hands-free power tailgate

Opening or closing Kuga's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the hands-free tailgate will operate without you having to touch a thing.

**Zt T TX V SL X**

### Automatic transmission paddle select-shift

Sports style paddle shift levers mounted on the steering wheel allow for faster up and down shifts while driving in manual select-shift mode. (Automatic and Powershift transmissions)

**Zt T TX V SL X**

**Reality check. Making fuel economy figures more realistic.**

From 1 September 2017, certain new vehicles will be type-approved using the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), according to (EU) 2017/1151 as last amended, which is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions. From 1 September 2018 the WLTP will fully replace the New European Drive Cycle (NEDC), which is the current test procedure. During NEDC Phase-out, WLTP fuel consumption and CO<sub>2</sub> emissions are being correlated back to NEDC. There will be some variance to the previous fuel economy and emissions as some elements of the tests have altered i.e., same car might have different reported fuel consumption and CO<sub>2</sub> emissions.

<sup>8</sup>In 4th gear. <sup>9</sup>Ford test figures. <sup>90</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>. For further information see [www.dft.gov.uk/vca/fcb/wltp.asp](http://www.dft.gov.uk/vca/fcb/wltp.asp). All petrol engines are equipped with a catalytic converter. <sup>1</sup>Fuel consumption figures are dependent on wheel size, please see price list for specific details. **DPF** = diesel particulate filter. All engines include Auto-Start-Stop. **#**Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Tongue Load** is a maximum of 100 kg on all models. **Gross Train Mass** includes trailer weight.

### Rear bumper protection

The durable protection foil, designed for painted bumpers, helps protect against daily wear and tear without compromising the look of your Ford Kuga. (Accessory) Not compatible with Titanium model.

**19" 5x2-spoke Black machined alloy wheels**  
(Option and Accessory)

### Load retention systems\*

Robust retention systems helps keep items of luggage in the load compartment of your Ford Kuga. Both first row and second row guards are available as an option. Not compatible with vehicles with panorama roof.

### ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the windows down, even during light rain. (Accessory)

### Mud flaps

Contoured mud flaps help to keep your Ford Kuga clean by reducing road spray and stone chips. (Option and Accessory) not to be used in combination with Body Styling Kit.

### Rubber floor mats

The tray-style all-weather floor mats with Kuga nameplate are designed to help protect against dirt and damp. When securely fixed directly onto the vehicle's floor, the rubberised mats are designed not to slip and interfere with the pedals. (Accessory)

### Tow bars\*\*

Three choices of tow bar are available for the Ford Kuga; Retractable, Detachable and Fixed tow bars.

The Retractable Tow Bar offers an out of sight solution that can be released when needed for towing (option and accessory).

Detachable and fixed tow bars are also available as accessories. While towing, the standard Electronic Stability Control (ESC) is designed to counteract trailer sway.

### Uebler® rear bike carrier

High-quality tow bar-mounted bike carrier from Uebler. Features practical tilting mechanism for easy access to the load compartment. (Accessory)

### Boot liner

Durable liner, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

### Thule®+ roof attachments

An array of roof attachments such as roof boxes, bike, ski and snowboard carriers are available. (Accessory)

### Cross bars

Sturdy cross bars in combination with roof rails allow you to transport a range of loads easily. (Accessory)

### Roof rails

Stylish roof rails (option and accessory) enhance your Ford Kuga's appearance and are required to install versatile cross bars. (Accessory)
