

FORD GALAXY

2

SELECT

Available in two uniquely individual series, whatever your preference there is a new Ford Galaxy that's right for you. To make your purchase choice even more rewarding, we've elevated the standard of our features across all series. So now, whichever Galaxy route you decide to take, you can be sure of a high level of standard features, as well as a host of add-on features available as standalone options or part of an option pack.

Zetec

An elegant and sophisticated design, impressive integrated technologies and a first-class travelling experience all contribute to the Ford Galaxy Zetec's outstanding appeal.

Key features

- 17" 10-spoke Sparkle Silver alloy wheels
- Electrically-operated, power-foldable and heated door mirrors with body colour housings, side indicators and puddle lights
- Quickclear heated windscreen
- Pre-Collision Assist
- Black roof rails

Titanium

Galaxy's luxury models deliver elevated levels of sophistication and comfort, with rich standard specification, premium materials, additional technologies and unique styling elements.

Key features

- 17" 5x2-spoke Sparkle Silver alloy wheels
- Roof rails (satin aluminium-finish)
- 10.1" colour TFT cluster display (diesel engines only)
- Ford DAB Navigation System
- LED daytime running lights
- Ford KeyFree System with Ford Power starter button

Zetec

Key exterior features

- 17" 10-spoke alloy wheels
- Front halogen fog lights
- Electrically-operated, power-foldable and heated door mirrors with body colour housings, side indicators and puddle lights
- Automatic wipers
- Ford Clearview Front Wiper System
- Headlight courtesy delay
- Black roof rails

Key interior features

- Ford SYNC 3 DAB Radio/CD Audio System, 8" colour touchscreen, 8 speakers, voice control & Applink Android Auto/Apple Carplay, 2 USB ports, eCall and FordPass Connect (embedded modem)*
- Ford Power starter button
- Front and rear parking sensors
- Floor mats
- Cruise control
- Pre-collision Assist with pedestrian and cyclist detection
- Dual-zone Electronic Automatic Temperature Control
- 4.2" colour TFT cluster display
- Traffic Sign Recognition

- Sport seats
- ISOFIX attachments for each second row seat

Engines

Diesel

2.0L Ford EcoBlue 150 PS (110 kW)
2.5L Ford Duratec FHEV 190 PS (140 kW)

Transmissions

6 speed manual
8 speed automatic
CVT automatic

Key exterior features additional to Zetec

- 17" 5x2-spoke alloy wheels
- LED daytime running lights
- Chrome-finish on upper doorline
- Silver roof rails
- Rear privacy glass
- Automatic front headlights

Key interior features additional to Zetec

- Ford DAB Navigation System
- Lane-Keeping Aid with Lane Departure Warning
- Traffic Sign Recognition
- Interior ambient lighting
- Third-row rear seats with power fold-flat, slide and recline, and manual easy entry to the third row
- 230 V power outlet
- Ford KeyFree System with Ford Power starter button
- 10.1" colour TFT cluster display
- Rain sensing wipers

Engines

Diesel

- 2.0L Ford EcoBlue 150 PS (110 kW)
- 2.0L Ford EcoBlue 190 PS (140 kW)
- 2.5L Ford Duratec FHEV 190 PS (140 kW)

Transmissions

- 6 speed manual
- 8 speed automatic
- 8 speed automatic All-Wheel Drive (AWD)*
- CVT automatic

*Available with 2.0L Ecoblue 190 PS only.

4 SPECIFICATIONS DIMENSIONS

Exterior (mm)	
Overall length with/without tow bar	4958/4853
Overall width with/without mirrors	2137/1916
Overall width with folded mirrors	1953
Overall height (unladen)	1770
Turning circle – kerb-to-kerb (m)	11.65*
Luggage capacity (litres)*	
7-seat mode (laden to top of seat) (min./max.)	300
5-seat mode (laden to roof) (nominal/max.)	1206/1301
2-seat mode (laden to roof)	2339
Fuel tank capacity (litres)	
Petrol	65
Diesel	63**
AdBlue® tank	11.52

FUEL, PERFORMANCE AND EMISSIONS

The test used to establish fuel consumption and CO₂ figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the published CO₂ figures will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty. The table below shows the fuel consumption (WLTP) figures for each available engine on the Ford S-MAX. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

^{*}In 4th gear, [®]Ford test figures. ^{®®}The declared Fuel/Energy Consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>. ^{*}Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight. ^{*}Gradient at sea level.

[†]Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted. ^{*}11.95m with 19" wheels, ^{**}64.4 on 4x4 variants.
