

FORD ECOSPORT

2

SELECT

CHOOSE YOUR ECOSPORT

EXPRESS YOUR INDIVIDUALITY

Across the EcoSport range you'll find a comprehensive choice of series, each with their own distinct personalities.

For the ultimate in refined luxury, Titanium blends contemporary style with sophisticated features. While for an outstanding performance-inspired experience, the ST-Line immediately catches the eye with its unique styling and sporty, emotive appeal. Or choose the adventurous Active crossover, distinguished by its rugged sporty lines and confident, resourceful character.

Titanium

Key exterior features

- 17" 10-spoke Shadow Silver alloy wheels
- Low beam LED headlights with daytime running lights
- Front fog lights
- Electrically-operated and heated door mirrors
- Black roof rails
- Rain-sensing wipers

Key interior features

- Centre console with armrest and openable stowage
- Partial Sensico® seat trim
- Electronic Automatic Temperature Control (EATC)
- Auto-dimming rear-view mirror
- Front and rear power windows
- Ambient lighting
- 4.2" colour cluster display
- Ford SYNC 3 Navigation with 8" Touchscreen, DAB Radio, Emergency Assistance, Apple CarPlay & Android Auto, USB connectivity, 7-speakers and

- FordPass Connect (Embedded Modem)
- Cruise control with Adjustable Speed Limiter
- Rear-view camera with rear parking distance sensors
- Pre-Collision Assist including AEB
- Traffic Sign Recognition (TSR)

SERIES

4 SPECIFICATIONS ENGINES

ENGINEERED FOR ECONOMY

EcoSport is available with a 125 PS or 140 PS version of Ford's multi-award winning 1.0-litre Ford EcoBoost petrol engine delivering up to 47.9 mpg* fuel efficiency and from 135 g/km* CO₂ emissions. Both versions drive the front wheels through a smooth-shifting six-speed manual transmission. For further fuel efficiency and emissions information, please see the specification tables.

Fuel, performance and emissions

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures)

	1.0 Ford EcoBoost 125 PS (with Auto Start-Stop)	1.0 Ford EcoBoost 140 PS (with Auto Start-Stop)
Available on	Titanium, ST-Line, Active	ST-Line
5-Door SUV		
Euro Stage	Euro 6d	Euro 6d
Maximum Power PS (kW)	125 PS (92 kW)	140 PS (103 kW)
Torque Nm (Nm with overboost)	170 Nm (200 Nm)	180 Nm (200 Nm)
CO₂ emissions^{oo} (WLTP equivalent figures shown by wheel size)		
17" Wheel CO ₂ emissions (g/km)	141-143	142
18" Wheel CO ₂ emissions (g/km)	154	154
Transmission	6-speed Manual	6-speed Manual
Drive	4x2	4x2
Combined fuel consumption^{oo} (WLTP figures with options)		
Lowest performing mpg (L/100km)	44.8 (6.3)	45.6 (6.2)
Highest performing mpg (L/100km)	45.6 (6.2)	45.6 (6.2)
Performance^o		
Max. speed (mph)	111	115
0-62 mph (secs)	11.0	10.2
31-62 mph* (secs)	10.5	10.3
Weights and loads		
Kerbweight (kg) [#]	1349	1355
Gross vehicle mass (kg)	1730	1730
Max. Towable mass (braked) (kg)	900	1100
Max. Towable mass (unbraked) (kg)	670	675

*In 4th gear. **Ford test figures. ^{oo}The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumption and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>
[#]Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 40 kg on all models.

*WLTP correlated official test figures. Actual fuel consumption may differ. See Fuel & Performance section for more information.

5 PURCHASE PROTECT

Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

www.ford.co.uk/owner/owner-services/ford-service

Ford Protect

Extend your standard 3 year/60,000 miles warranty up to 5 years/100,000 miles (8-years/100,000 miles on most EV models) with Ford Protect. Key benefits include*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

www.ford.co.uk/owner/my-vehicle/warranties

*Ford Protect terms and conditions apply. Please call 03702 416 726.

Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days**
- A full Ford Service History, which may enhance your car's resale value

www.ford.co.uk/owner/service-and-maintenance/service-repair/plans

**Subject to availability and status, excluding fuel and insurance costs.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **Note.** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
