Heated Steering Wheel (included in Winter Pack 2)	ICE & BEV	GTBAB
Premium Sensico-wrapped Steering Wheel		GTABJ
Power Front Windows - One Touch Up-Down both sides	ICE & BEV	B2CAF

Standard Features

TITANIUM - ICE & BEV

MFC

ICE Pack 2 - SYNC 4, Bluetooth, Apple Carplay / Android Auto		ICFAC
8" Touchscreen Display	<i>Requires ICE</i>	HJGBE
12" Touchscreen Display	<i>Requires BEV</i>	HJGAX
4 Front Speakers, 2 Rear Speakers		IDBAX
Steering Wheel Radio Controls		IGBAB
Diversity Antenna		ICHAB

DRIVER ASSISTANCE

Parking Pack (DAT Bundle 1a)		DBCAC
Pre-Collision Assist 1.5 with Pedestrian & Cyclist Detection		FBFAC
Intelligent Speed Assist		GTCAY
Lane Keeping System		HLNAB
Traffic Sign Recognition		HLOAB
Driver Alert		HLFAB
Reverse Parking Aid		HNKAB
Front Parking Aid (included in Parking Pack)	<i>ICE & BEV</i>	HNLAB
Digital Rear View Camera (included in Parking Pack)	<i>ICE & BEV</i>	J3KAX
Cruise Control		GTDAB
Brakes - Hill Launch Assist/Traction Control/ESC/ABS	<i>Requires ICE</i>	FEAAN
Brakes - ABS/ESP W/ ELCT BRK BOST	<i>Requires BEV</i>	FEABA

MECHANICAL FEATURES

Ford Easy-Fuel Capless Refuelling System	<i>Requires ICE</i>	CBMAD
Mechanical Parking Brake	<i>Requires ICE</i>	FAJAB
Electric Parking Brake	<i>Requires BEV</i>	FAJAC
Front Disc / Rear Drum Brakes		FBAAC
Electric Power Steering		GPAAJ
Steering Column - Tilting/Telescoping		GRAAF
Less MPH Engine Governor		DCFAA

WHEELS & TYRES

16" Alloy Wheel - 10-spoke in Sparkle Silver finish	<i>Requires ICE</i>	D2XCH
17" Alloy Wheels – 5-spoke in Silver and Black Machined finish	<i>Requires BEV</i>	D2YGQ
P205/65 R16 95H Tyres	<i>Requires ICE</i>	D3JDN
215/55 R17 94H Tyres	<i>Requires BEV</i>	D3KEZ
Locking Wheel Nut		D5EAD
Any Vendor Tyre - Eco Tread		D5PAZ
Less Spare Wheel		D17AA
Tyre Repair Kit		AHTAB
Tyre Pressure Monitoring System (TPMS)		HJCAC

ACTIVE - ICE & BEV

Additional to Titanium

MFC

ICE Pack 3 - SYNC 4 with Navigation System		ICFAE
Navigation System		HKCAB

DRIVER ASSISTANCE

Driver Assistance Pack with Navigation (DAT Bundle 5)		DBCAD
Pre-Collision Assist 2.2 - Intersections with Pedestrian & Cyclist Detection		FBFAG
Lane Change Warning and Aid	<i>Requires Manual Transmission</i>	HLNAC
Lane Change Warning and Aid w/ Lane Centering Assist	<i>Requires Automatic</i>	HLNAE
Blind Spot Information System with Cross Traffic Alert		HLLAH
Front Parking Aid (included in Parking Pack)	<i>ICE & BEV</i>	HNLAB
Digital Rear View Camera (included in Parking Pack)	<i>ICE & BEV</i>	J3KAB
Intelligent Adaptive Cruise Control with Lane Centering and Stop & Go (included in Driver Assistance Pack)	<i>Requires Automatic Transmission</i>	GTDAC
Intelligent Adaptive Cruise Control (included in Driver Assistance Pack)	<i>Requires Manual Transmission</i>	GTDAC

MECHANICAL FEATURES

WHEELS & TYRES

17" Alloy Wheels - 5-spoke in Absolute Black / Machined finish	<i>ICE & BEV</i>	D2YBT
215/55 R17 94H Tyres		D3KEZ
Locking Wheel Nut		D5EAD

¹ The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and has fully replaced the NEDC by the end of 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <https://carfueldata.vehicle-certification-agency.gov.uk/>.

² These figures were obtained after the battery had been fully charged. The E-Tourneo Courier is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO2 and electric range figures. The electric range shown was achieved using the new (WLTP) test procedure. Figures shown are for comparability purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

255	999	M	£25.00	£55.00	£5,490.00	£5,570.00

"The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO2 emissions* (expressed in grams per kilometre (g/km)). All CO2 emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load."

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator . The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2025 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £425) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £190)."

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road prices and Recommended Retail prices. Please contact your Ford Dealer for final sale prices.

This price list is effective from 14th April 2025, and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to Ford's published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
