## OTHER PRICING CONSIDERATIONS

### Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or applicable legislation.

### VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail price.

### Price Changes

This price list outlines Ford's recommended on the road prices and recommended retail prices. Please contact your Ford dealer for final sale prices.

This price list is effective from [1st July 2025](#), and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should consult with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

## ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are shown for illustrative purposes only.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design / features on the final version of the vehicle may differ in various respects. Features shown on the vehicles may be optional e.g. metallic paint.
