Benefit in kind	£3,490	£3,500	£3,500

"The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.'

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2022 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £355) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £165 for petrol and diesel vehicles and £155 for vehicles classed as alternative fuel vehicles such as a FHEV, PHEV and BEV)."

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Customer Order Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the Customer Order Price Protection plan. Subject to terms and conditions. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's recommended on the road prices and recommended retail prices. Please contact your Ford dealer for final sale prices. This price list is effective from **23rd May 2022**, and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right is reserved to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint. Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
