1. The CO₂ emissions test figures shown in the table do not express or imply any guarantee of the emissions or fuel economy of the vehicle in question. All the figures are based on tests conducted on vehicles with standard wheels and tyres. Optional or Accessory wheels and tyres may have an effect on the emissions or fuel consumption of a vehicle. For further information on CO₂ and fuel performance please refer to the vehicle brochure

2. Recommended 'On the road' price includes £475.53 (excl VAT) delivery charge, one year's Road Fund Licence, £55 DVLA first registration fee and an estimated £25 for number plates. Price stated is for standard specification vehicle with no options.

3. Not applicable to retail or private car buyers. Benefit in Kind (BIK) values are the monthly taxation payment applicable to company light commercial vehicle users. BIK values were correct at the time of printing and are based on taxation rates for 2019/20 tax year.

* Limited 1 includes Delete Sports Bar option

Delivery								
Delivery Charge excl. VAT		-		-	-			475.53
Delivery Charge inc. VAT		-		-	-			570.64

* 'On the road' price includes delivery to dealer, one year's Government excise duty (see below), DVLA first registration fee and an estimate for number plates.

The delivery charge will be made on all vehicles for delivery to Dealer's premises. Where delivery is not made to the customer at the dealer's premises, a further charge may be made by the dealer.

The Vehicle Excise Duty (VED) charged on new passenger vehicles (M1) is based on their engine's CO₂ emissions* (expressed in grammes per kilometre (g/km)). *CO₂ emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended.

The Vehicle Excise Duty (VED) charged on new commercial vehicles up to 3500 kg (N1) is a fixed rate of £260

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED rate (currently £320) for five years after the end of the first registration (in addition to the standard £145 VED charge per year).

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Customer Order Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the Customer Order Price Protection plan. Subject to terms and conditions. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's recommended on the road prices and recommended retail prices. Please contact your Ford dealer for final sale prices. This price list is effective from 1st April 2019, and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves it right is reserved to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
